Maintenance Report: Dale Howe reported that the City Sander stopped working. The City of Pullman might be able to rent a sander to the City of Troy for \$45 on a monthly basis pending a contract that would be drafted by their attorney. However, the council needs to also decide whether or not they would like to purchase a new one before the next fiscal year. The estimated cost for a new sander is approximately \$9500. Council agreed to table the matter of purchasing a new one till the next council meeting after the opportunity to discuss it with the city accountant Greg Mann. Dale also discussed the failing Inland Cell service with employee phones suggesting that the city look into other service providers. Councilwoman Cindy Gray made a motion that upon legal approval the Mayor can sign a contract with the City of Pullman to rent a sander for the amount of \$45/month. Motion was seconded by Councilman Bill Abbott. Motion passed by a roll call vote all in favor (Gray, Cordova, Yenney, Abbott). ***Motion Carried.***
